

THE HUDDLE

Our Next Meal

DFW Food Justice Solutions

Join Mavs Take ACTION! as we host an in-person discussion with community leaders, focused on providing food justice in our community through community gardens and improved food accessibility. Following the discussion, we will have a service opportunity where members of the community can unite with us as we pack and distribute food recovery bags and help in planting a new community garden.

APRIL 26 | 4 PM - 7 PM
